## **Preamble**

These Organisational Rules (OR) should be read in conjunction with the Constitution and the Policies of SSA.

The SSA Organisational Rules defines how SSA is structured and operates. They are only subordinate to the Constitution and in case of conflict with OR, the Constitution prevails. All published SSA Policies are subordinate to OR. Which means, in case of conflict with a Policy, OR prevails.

Where the term "Shall" is used, members are required to follow that directive. The term "Should" is used for a strong recommendation, which should normally be followed.

A glossary of the "Definitions and Abbreviations" used in this document, is provided at the end of the document, to clarify interpretation and assist with understanding of the provisions.

Although this document has been checked and rechecked there is always a possibility that errors have crept in. If you should spot one, please report it to SCOUTS South Africa (SSA) national office, [info@scouts.org.za](mailto:info@scouts.org.za) or PO Box 2424, Clareinch, 7740, South Africa.

Likewise, if there is any Rule o which you would like elaboration, please refer to your Regional Team who will be able to help.

If you have thoughts for any amendments to this document, please remember this is your Movement, and a recommendation for improvement and change can be submitted in writing to the Management Committee (Manco) at any time.

Please notify SSA National Office at [info@scouts.org.za](mailto:info@scouts.org.za) of any modification required to accommodate the changing reality of Scouting in our country or a contingency which you think should be covered by these Rules.

## **2. The Development Programmes of SCOUTS South Africa**

### **2.1. Youth and Rover Development**

- 2.1.1. The structured and incremental programme of activities, awards and badges for the development of Meerkats, Cubs, Scouts and Rovers in SSA, are defined in the Meerkat, Cub, Scout and Rover Trails on the SSA Website. Although each is distinct from the others in background and method, together they provide for the continuity of members personal development.
- 2.1.2. Implementation of the programme in each branch must be based on the Trail and Badge Book for each Branch as well as other current SSA Literature, as published on the SSA Website.
- 2.1.3. Where there is conflict between any other SSA publication and any of the Trails, the current Trail will be deemed to be correct.
- 2.1.4. Where a Den or Pack is part of a Sea Scout Group, or Air Scout Group, its members must receive only the standard Meerkat or Cub Programme, and the designation of the Meerkats and Cubs must be the same as for other Meerkats and Cubs.
- 2.1.5. The Policy for conducting safe activities in support of the Youth Programme can be found in the Safe Scouting Policy and associated Practice Notes.

### **2.2. Adult Leader Development**

The structure of formal Stage One, Stage Two and Stage Three training for the continuous development of Adults in SSA is defined by the Aims, Objectives, and list of Modules for each level of training, contained in an Annexure to the Adult Support Policy.

### **3. Safe from Harm**

- 3.1. SSA is committed to maintain a safe environment for the development of children and young people and for its Adult Members.
- 3.2. All Members of SSA need to work together to provide children, young people and one another with a safe environment in which they are all empowered to develop their full potential.
- 3.3. All Adult Members, except Elected Members, are expected to complete SSA Approved "Safe from Harm" training before Investiture or as soon as possible thereafter.
- 3.4. At any overnight activities held jointly by Dens, Packs or Troops of different genders or by mixed gender Dens, Packs or Troops, there must be at least one Adult of each gender present, one of whom must hold the relevant Warrant required for the activity, save for 'Youth led' activities as envisaged by the Scout Programme.
- 3.5. At all meetings and activities separate ablution facilities should be provided for each gender, and care should be taken to ensure that where separate ablution facilities are not available for each gender or separately for Youth and Adult members, that the usage is managed to prevent overlap of usage by genders or adults and youths.
- 3.6. For overnight activities separate sleeping accommodation shall be provided for Adults and Youth. Each facility shall have separate accommodation for each gender.
- 3.7. Adults who are either married or in a committed relationship with each other, may share the same sleeping accommodation.

## **4. Warrants and Appointments**

### **4.1. Purpose**

- 4.1.1. The principle governing the placement of members in a role is that a Warrant or Appointment is issued to a Member for the role for which they seem best suited and have the required competency, experience, capabilities, and qualities.
- 4.1.2. The procedures for issuing Warrants and Appointments is set out in the Adult Support Policy.
- 4.1.3. While there is a recognised seniority for the purpose of organisation and discipline in SSA, there is no promotion in the accepted sense of the term. The term "Next in Line Scouter" is used to denote the Member to whom a Scouter is accountable.
- 4.1.4. A Warrant is issued to an Adult Member who takes on any Role in which:
  - 4.1.4.1. they may have unsupervised interactions with Youth members; and or
  - 4.1.4.2. they are either directly Responsible for, or Support, other Warranted Members.
- 4.1.5. A Warranted Scouter must be present if non warranted adults, who are not a parent of a participating youth are present at any activity, meeting or event. The only exception to this would be circumstances where a Scout older than 17 years of age is visiting a Rover Crew.
- 4.1.6. An Appointment is issued to an Adult Member who is not an employee and who is appointed:
  - 4.1.6.1. to an Administrative Role at either Regional or National level.
  - 4.1.6.2. to any other role which does not require them to be Warranted.
- 4.1.7. All Warrants and Appointments are recorded on the "National Warrants and Appointments Register" which is maintained on the MMS.
- 4.1.8. A Warrant or Appointment is the evidence of the holder's authority to perform the functions of the defined role.
- 4.1.9. The Role Descriptions, as published on the SSA Website, provide the definitive "Role Purpose" and "Functions" of each Role and are deemed to be part of the Adult Support Policy.
- 4.1.10. Adults who are appointed, or elected to administrative roles in Groups, receive a letter of appointment from the SGL, which is not recorded on the "National Warrants and Appointments Register".

### **4.2. Issuing of Warrants and Appointments**

- 4.1.1. The procedure for Applying for a Role, Interviews, Appointment to a Role, Issue of Warrants or Appointments, their Validity, Renewal, Suspension or Cancellation, is provided in SSA's Adult Support Policy.
- 4.1.2. The responsible person for the issue and signature of any Warrant or Appointment is defined in the SSA Adult Support Policy.
- 4.1.3. Warrants may only be issued once the applicant has obtained a valid police clearance certificate in accordance with SSA's policies.

## **4.2. Multiple Warrants or Appointments**

- 4.2.1. A person may only hold two or more Warrants and or Appointments if, while fulfilling the responsibilities of their Primary Role, they have the time and ability to satisfactorily carry out the duties involved in one or more Secondary roles. In resolving conflicts of available time, their priority will always be the Primary Role which is the role they are most closely associated with, and which will normally be designated as such on the SSA national database.
- 4.2.2. Should a conflict of time and availability arise and not be resolved, the person should take a decision in respect of which role to continue in, considering the overarching objectives to provide good leadership in Scout units and providing quality support to the Scouters operating in units.
- 4.2.3. In every case the issue of a Warrant or Appointment for a secondary Role is subject to an investigation as to whether the Applicant can satisfactorily fulfil all their roles. Otherwise, the appointment process for the Secondary Role is the same as that for a Primary Role.
- 4.2.4. When conflicts of interest arise in making decisions in their Primary role, they will consider their responsibilities in their Primary over and above those of their Secondary Role.
- 4.2.5. Only when deemed essential, and for a limited period, may a Scouter hold two Unit Leader warrants (e.g., as a DS and a PS, and TS) or as a Unit Leader and an SGL.
- 4.2.6. For the purposes of the Annual SSA Census, a Member will be recorded under their primary role.

## **4.3. Suspending and Cancelling Warrants Appointments and Licences**

- 4.3.1. Any Member's Warrant, Appointment or Licence may be Suspended for a period as set out in SSA's Members' Code of Conduct and Disciplinary Policy.
- 4.3.2. Any Member's Warrant, Appointment or Licence may be Cancelled as the result of a Disciplinary Hearing as set out in SSA's Members' Code of Conduct and Disciplinary Policy.
- 4.3.3. Membership of the Movement may be, but is not automatically, terminated upon the cancellation of the Warrant or Appointment as a disciplinary Sanction.
- 4.3.4. Any Member whose Warrant or Appointment is cancelled as a disciplinary sanction has the right of appeal, as set out in the Member Code of Conduct and Disciplinary Policy. Membership of SSA terminates 6 months after resignation of a Member or expiry of a Warrant if the Member is not appointed to another Role.
- 4.3.5. If a situation of irreconcilable differences between a volunteer and the next in line Scouter or the unit in which they operate arises, then:
  - 4.3.5.1. following the failure of reasonable attempts to find common ground, the warrant or appointment of the volunteer may be cancelled on the recommendation to the RC by the volunteer's next in line Scouter.
  - 4.3.5.2. the decision of the RC in respect of the recommended cancellation may be appealed to the CC, whose decision in the matter will be final.

- 4.3.5.3. This is deemed a “no fault” cancellation, and every reasonable attempt should be made by the relevant RC in consultation with the volunteer to find a new role for the volunteer in SSA.
- 4.3.6. A member may, without any prejudice now, or in the future, terminate their warrant or appointment at any time by written notice to the Next Line Scouter providing the reasons for the requested termination.
- 4.3.7. Such a termination, as referred to in 4.4.6, will, as detailed in the Disciplinary Policy, have no impact on ongoing disciplinary matters involving the volunteer.
