

Congratulations to our Springbok Scouts who through their hard work, perseverance, diligence, and dedication, have earned the privilege of becoming a Springbok Scout.

We trust that they will honour their Scout Promise and Law and apply the learned training, knowledge, and skills in the service of others.

As Scouts, our duty is not just to explore the wilderness but to leave a trail of kindness, integrity, and positive change wherever we go. Let your actions be the compass that guides others towards a better world, and in doing so, may you find fulfilment in the true spirit of Scouting!
