Springbok Award Application Process

1. The Springbok Candidate, not the Troop Scouter, completes the Springbok Award Application form.
2. The Springbok Journey and Application are discussed with the Troop Scouter during the Springbok Personal Growth Agreement (PGA) discussion.
3. While logbooks and reports are submitted to the Springbok Examiner(s), the information provided on this form is the only information available to the Springbok Interview Panel regarding the Camp Expedition, Community Service Project, and Major Project. The Springbok Candidate must therefore provide sufficient detail and a clear synopsis of the activities in Section Two of the Springbok Journey.
4. The Troop Scouter is responsible for forwarding the form to the RTC: Scout Programme and ensuring all endorsements are obtained up to Regional level.
5. The RTC: Scout Programme checks that the application meets all criteria of the Award and ratifies the application.
6. The Springbok Award Interview Panel, chaired by the RTC: Scout Programme or their nominee, informs the Springbok Candidate of the interview arrangements.
7. The Springbok Award Interview Panel interviews the Springbok Candidate and records their comments and recommendations on the Springbok Award Application form.
8. The Application is then forwarded to the Chair: National Scout Programme for endorsement and submission to the National Office for the issuing of the Springbok Award and Certificate.
9. The Application must reach the Chair: National Scout Programme within seven (7) days of the Interview Panel discussion, and no later than six (6) weeks (42 days) after the Candidate's eighteenth (18th) birthday. Applications received after this deadline will not be considered.
10. Once a National decision has been made, the Chair: National Scout Programme must inform the Region within five (5) days. The Candidate will then be notified in writing of the outcome.
