1. The Springbok Candidate – not the Troop Scouter – must complete the Springbok Award Extension Application.
2. An extension will only be granted in cases of extenuating circumstances that are entirely beyond the control of the Scout.
3. No extension will be granted where delays are the result of poor planning or a late start in completing the Springbok Award requirements.
4. The application must be submitted at least twenty-one (21) days prior to the Scout's eighteenth birthday. Applications received after this deadline will not be considered.
5. The application must clearly state which Springbok Award requirement(s) remain outstanding, along with a detailed timeline for completing them.
6. The application must include a clear explanation for the delay, together with a full motivation and justification for why an extension should be granted.
7. Once completed, the application must be endorsed by the Troop Scouter, District Commissioner, and RTC: Scout Programme.
8. The endorsed application is then submitted to the Chair: National Scout Programme for consideration.
9. The Chair will either grant or reject the application, and the Region will be informed of the national decision.
10. The Springbok Candidate will then be formally notified of the outcome by the RTC: Scout Programme.

**Springbok Candidate's Declaration and Request for Consideration**

I confirm that I have followed the original timelines of my Springbok planning and have, to the best of my ability, completed all requirements of my Springbok Journey thus far. I further confirm that the delay in completing my Springbok Journey is the result of extenuating circumstances entirely beyond my control, as outlined above, and not due to poor planning or a late start in fulfilling the Springbok Award requirements.

I hereby submit detailed plans for all outstanding Springbok Activities, to be discussed with and approved by the RTC: Scout Programme. If approved, I undertake to complete these activities to the required Springbok standard before the expiry of the granted extension. I understand that the granting of an extension is not automatic and will be subject to due consideration and I acknowledge that I will be informed of the decision in due course.
