

Congratulations to our Springbok Scouts!

Through hard work, perseverance, and unwavering dedication, you have achieved the highest Scouting honour, the Springbok Award. This milestone is not just a testament to your skills and leadership but also to your commitment to the values of Scouting.

As Springbok Scouts, we trust that you will continue to uphold the Scout Promise and Law, using your knowledge and experience to serve others and make a meaningful difference in the world.

Scouting is more than an adventure—it is a lifelong journey of service, integrity, and positive impact. May your actions inspire others to follow in your footsteps, and may you always find joy in living the true spirit of Scouting!
