3. This form must be used and read in conjunction with Part 4 of the Adult Support Policy. The maximum number of years for which a warrant can be renewed is three years or two years, depending on the position and previous renewals (for Unit leaders).
4. The period for the extension of the Warrant must be recommended and endorsed by both the appropriate Scouters.
5. Separate forms are available to apply for a new Warrant and suspension or cancellation of a Warrant.
