

Job Description:

Coordinator: National Growth Projects

Role Purpose

The purpose of the Coordinator: National Growth Projects is to work in tandem with the support structures of SCOUTS South Africa in order to bring about growth in certain sectors in accordance with and in line with the policies of SSA.

Functions / Key Performance Areas

- a. Learn from existing initiatives, partnerships and strategies used, especially but not exclusively, in Kwa-Zulu Natal and the Western Cape (SiS) and NGOs.
- b. Lead the development of a strategy for building partnerships with third party organisations specifically:
 - National and Regional Government departments e.g. SAP, Department of Sports and Recreation, Environmental Departments as well as local authorities
 - Schools e.g. Scouting in Scouts Western Cape
 - Churches e.g. Catholic and Methodist Churches
 - NGO's e.g. Keep the Dream 196 and others
- c. Implement the strategy agreed with Manco on building partnerships with identified priority third party organisations.
- d. Engagement with and development of relationships with these third party organisations and establishing a formal relationship and partnership to establish groups in the partner organisation where possible (Churches, SiS)
- e. Securing funding for the implementation of Scouting in growth areas and starting up new groups (if possible).
- f. Organisation of representation of SCOUTS SA in appropriate forums to build the necessary relationship with the SA Government, Schools NGOs and Churches.
- g. Support the creation of Groups in the Regions based on engagements at National Level with the Churches, Schools or Government departments. This support could include:
 - Support for the partner organisation through the process of registering and starting groups in the Region.
 - Facilitation of training for Adults recruited to run Groups
 - Negotiation of SPA Agreements with various partner organisations with support from the CEO and CC as required.
